

'MAKE YOUR OWN POSTER' COMPETITION – STEPS

STEP 1:

Choose your favourite Scientix resources and **download a template** for your poster.

STEP 2:

Make your own POSTER and **show how you use your favourite resources to stimulate your STEM lessons!** You can create up to 5 posters per person (PLEASE, do not overdo it!) and you can choose as many resources as you like!

STEP 3:

Share your posters on Twitter OR Facebook using the competition's hashtag **#ScientixPoster**. By adding this hashtag, you submit your poster to the competition and the unofficial voting begins!

STEP 4:

Submissions close at the end of 23 April 2017 and selected contributions will be showcased here to be put up officially for a vote during the STEM Discovery Week from 24 to 30 April 2017.

Remember: the unofficial voting starts the moment you post your poster on social media.'

Visit the competition web page for more information:
