

Scientix Workshop

**Sure, I'm interested in your
idea/project, you've got 1'**

Dr Agueda Gras-Velazquez

13/Sep/2019

This event is supported by the European Commission's H2020 programme project Scientix 3 (Grant agreement N. 730009), coordinated by European Schoolnet (EUN) and the Europeana DSI-3 project, funded by the European Union. The event is the sole responsibility of the organizers and it does not represent the opinion of the European Commission (EC), and the EC is not responsible for any use that might be made of information contained.

SCIENTIX NEWSLETTER

The Scientix quarterly newsletter delivers original articles on innovation in STEM education policy, research and practice. It brings the latest news from science education projects and from the Scientix community, and follows the development of European and national policies and initiatives. Each issue focuses on selected topics in science education and highlights presents related materials and activities.

The newsletter is only available in English.
