

Terra Mission MOOC Rerun

Teaching Sustainability for Action

Life Terra and Scientix are proud to announce the 'Terra Mission MOOC Rerun: Teaching Sustainability for Action'. With this course, which will be held online on the European Schoolnet Academy, primary and secondary teachers will have the opportunity to raise environmental awareness in their schools and beyond! Participants will explore outdoor education and develop ideas for practical assignments in the classroom. The course will guide them through the Terra Mission Educational Pack, which will lead students to investigate, learn and act as climate experts.
