MINTGirls@JFG

Science labs, coding games
and other activities

Katinka Wagner

MINTGirls@JFG

We are...

...a secondary school with a special focus on mathematics/science and economy

We did...

...afternoon activities for primary school girls

...labs on soap, ink and cosmetics

...coding and mathematical games

...a demonstration of our 3D-Printer

...creative workshops (dancing, sewing and crafting)

MINTGirls@JFG

- + interaction between visitors and our students
- + small groups
- + feedback

- to close to enrolment
- pink for girls?
