Play this no-download slot and enjoy an impressive play on the mentioned platforms. Should I play this over the latest Book of Ra Deluxe 6? Let's face it – v6 is just better optimized and offers a better online experience. It's a different slot game with other mechanics. It adds an Extra Bet feature and an optional Reel 6 to play around with. The original has over it is the nostalgic music, but overall, Deluxe 6 is better. What's the variance in payouts? It's a fairly volatile game, so your experience will be unpredictable. Come to it for making high bets. The Book of Ra doesn't tolerate low stakes; normally lowest bet is made around 40 cents. How does Book of Ra Deluxe compare to other slot machines? It favors high-rollers and provides massive win opportunities at a fairly high risk. Other slots offer more consistent fun at the expense of the big win thrill Book of Ra can give you.
