The Book of Ra Mystic Fortunes was launched in 2018 by Novomatic, and, like many other newer versions, it is a continuation of the most popular Book of Ra Deluxe version. This popular Egyptian-themed based series is played using 10 payline game engine and a 5 reel. By the look and feel of the Book of Ra Mystic Fortunes, it seems almost identical to the previous games. This version is also set in the same ancient Egyptian time within the chamber of the Pharaoh's pyramid. It has a selection of Egyptian-themed objects; the reels will include lower value royal

symbols; and the symbols are A, K, Q, and 10. The game will also include the courageous explorer, Horus, scarab beetles, and Tutankhamen. Game features. So, a random symbol will be chosen, which will then expand to fill the reel; the more symbols you can get, the better the chances for the big wins. Jackpot feature. The book of Ra Mystic Fortunes comes with a jackpot feature as well. It offers four different jackpots. If you hit three book symbols, whenever the Book of Ra appears anywhere on the reels, it may trigger the jackpot feature, which happens randomly. If this happens, then you will see 12 coins appearing on the screen. Touch any of the coins, and a symbol will be revealed which can be a reward for a grand, major, or minor, or even a mini jackpot. If three matching symbols get revealed, then the corresponding jackpot will be shown. So, here's what they are offering: Mini = 5 x stake Minor = 20 x stake Major = 800 x stake Grand = 10,000 x stake. Our verdict. The latest version of Book of Ra Mystic Fortunes is identical in terms of looks and gameplay to Book of Ra Deluxe. However, the newer version gives you a maximum of 2,000 times the bet from a free spin/spin which was 500 times the bet in the previous version. The main element which differentiates these two is the addition of the jackpot feature which can let you win 10,000 times the original bet. For this reason, we recommend that you play the Book of Ra Mystic Fortunes and win some handsome rewards.
