If you are not yet part of the game, go directly to your play store if you are an Android user and if you are an iOS user go directly to the app store and download the game from there. I basically, like to play this game on my latest iPhone 13, and the game appears to run smoothly. The best part of this game is that it is available in almost every country of the world and therefore this game has a fan base associated with every country. So, in which country are you playing this game? Do comment below.

How to Download Crazy Fox. First, tell me are you an Android user or an iPhone user like me? If the answer is Android, then head over to the Google Play store. Type "Crazy Fox" over there in the play store search options and Download it. But if the answer is iOS then, head over to the Apple App store on your iPhone, search the term "Crazy Fox" over there, and download it. That's all about the download of this game. Next what you have to do is to head towards the game and enjoy. Have Fun. For an instance, let me inform you that you will get empty of spins and coins while playing this game, and at that time what you need is the reward links of Crazy Fox. Just come in this post and collect rewards from the above links.

What exactly is the Spin Wheel and How does it work? As clear from its name, the spins wheel is a wheel-like structure present in the game that spins itself when it is being tapped and in return it gives rewards. When the color of the spin button is red and you tap on the spin button it will scroll up and down and give you more spins, coins, shields, and sometimes it also depends on the types of ongoing events in the game. But the only thing which is not seasonal in this game is the fun and joy which comes from this online game.

What is a shield in Crazy Fox? Apart from Crazy fox free spins and coins, you will also come across the term called Shield. It is also a type of reward which you can have while spinning the wheel present in this game. But keep in mind you are given at max 3 shields only. It helps you in the game by defending against the damage and protecting your villages from your opponents. This opponent who will attack your village in the game is a player like you who is also involved in playing this awesome game and maybe your friend on Facebook. But that doesn't mean that whoever attacks your village is from your Facebook but sometimes the gaming algorithm also assigns the opponent based on similar level types. However, you need not worry much if 3 shield is already present in your village, the outer shield will break during the attack on your village, and your overall village will be protected. The main problem you will face is rebuilding your village over again if you don't have an active shield protecting your village during the attack on it. So, do aim to acquire a shield from the spins.

What is Reward Calendar in Crazy Fox? It's not that complicated thing though. It is basically a calendar that keeps you updated so that you can log on to your crazy fox game and collect rewards timely. I personally, like this feature very much. Isn't it awesome to not miss any reward during this gameplay? Via this feature of this game, you will be getting daily rewards, spins coins in bulk. Sometimes, it also offers pet food and extra card reward which is very essential for this gameplay.

What is Crazy Fox's World Shop? In the game, the World shop is the place where you are eligible to build your village. Further, you must note that a village has only 5 character with which to create one texture. So, you can get rest once you complete it five times. As a bonus, you can get free cards and free spins in the game based on the type of village you are currently in. On building a successful village you will be assigned a star. This star can be part of the leaderboard ranking. It is where the competition of the game mainly comes within the players.

Types of chests and How to buy them? In Crazy Fox, there are 5 chests only. These 5 chests included: **Wooden Chest:** This chest can be purchased with the help of your collected coins. **Silver chest:** Similar to a wooden chest, your collect coins can be used in silver chest purchases as well. **Golden chest :** This chest can only be purchased by investing some real dollars of 9.99 that too when you reach much higher levels. However, after level 10 you can also buy this chest from coins as well. So patience is the ultimate key to get this chests. **What is Crazy Fox's card collection?** Card collection is the collection of

free cards in the Crazy Fox game or trading them with your Facebook friends. There are various Facebook groups available there which trade cards for this game. Once you complete a total card set you will get certain rewards which may include spins and coins or even more. What are the event types in Crazy Fox? Balloon Frenzy, Golden Cards, Set Blast, bet blast, Vikings, etc are some of the event types present in the Crazy Coins game or the Crazy Fox game. You can even come across various other types of events while playing this game when you spin the wheel. For helping players the developers give some extra rewards once their village got raided or attacked by their opponents. You will get more and more familiar with the game once you start playing it and collecting the crazy fox free spins. What are the Viking's events? This event namely Viki9ngs is concluded as the most trending event in Crazy fox by its user. However, to be a part of it as a Vikings you will probably require millions and sometimes even billions of coins. While playing Vikings you will be utilizing your coins rather than spins. But the main fun lay after the completion of this Vikings event. Once you complete this event vik9ings, you can get 2 golden cards and spins of a thousand if you are that lucky. So, don't miss any Vikings event of this game and Crazy fox free spins. What is Raid in Crazy Fox. Once you spin the wheel and gather foxy 3 times in a row, it is called a raid. In that phase, you will be ready for stealing the other player's coins and you will be provided with 4 options of raid out of which only 3 options will give you coins and the remaining one will be empty so it is advisable to be a wise digger. You will be eligible to build more villages once you get more cons and thus can defeat your friends and gain the limelight in your friend circle. What is Attack? The raid and attack are almost similar in Crazy fox with one difference. In the raid, you cannot attack but can steal whereas in an attack you can attack your opponent's village after you gather 3 gaming bombs by spinning the wheel. Thus, you can also take revenge on your friend who has already attacked your village, Ending Statement: Crazy Fox free spins.
