Crazy-Time Game Spin to Win. CrazyTime Casino for Android is a unique online casino based on the successful Dreamcatcher Money Wheel concept. Now the interactive fun and excitement are taken to a crazy new level with the ability to add some of the best slots to every game round and four exciting bonus games. Interactive elements and advanced technology allow players to win different multipliers on two of the four bonus games. Crazy Time offers live entertainment with enhanced RNG gameplay, offers a unique gaming experience, and multipliers up to 25,000x that take the fun to the next level! Get ready to

play the most addictive casino game ever! Crazy Time is packed with bonus games and multipliers, a real game show that's fun to play and watch! Crazy Time takes place in a large, colorful, and fun studio with the main money wheel, a slot above the money wheel, and four fun side games: Cash-Hunt, Coin-Flip, and Crazy Time. The crazy and fast-paced gameplay revolves around the main game and 4 side games. Playing is easy as players place bets on numbers (1, 2, 5, or 10) and/or bonus games. In both bonus games, players make a more informed decision: players don't always get the same prize!
